

# VMFC subs and savings plan

If you have online banking you should be able to set up a standing order directly. Otherwise, please complete this form and return to your bank.

## Subs

Each month there are essential outgoings including pitch fees for matches and training, referee and coach fees, insurance costs and league fees. In addition there are large one-off costs such as new kit. Subs are the lifeblood of Village Manchester Football Club. Our incoming subs only just cover our outgoing monthly costs. That's why it's essential that all players contribute their fair share, and do so over the entire year - there's no break when we're out of season! We welcome new players to training and your first month is free. We hope you enjoy the training and want to come back each week and join the club. It's best to pay subs by standing order so you don't have to remember cash each month at the first training session, but you can pay cash until you're ready to commit. The subs amounts are:

### Monthly standing order

£25 Training and playing

£15 Training only\*

£15 Concessionary (students and unemployed)

\*If you pay for the training only option through standing order, you will need to pay £5 per match to play - if you're picked!

### VMFC's savings plan

In most years we organise an overseas trip to play in an international tournament. The club tries to subsidise these trips out of sponsorship but we can't pay for the whole trip - there are still costs to players and we usually leave arranging transport to you. To help you out, we have a savings plan available to all players who pay their monthly subs by standing order. You simply add any amount you like to your monthly payment. We suggest at least £10. This is your money. When you decide to go on a VMFC trip, it can be used to pay towards your personal costs. If you don't go on a trip, you can have it back at any time. Our treasurer will keep a record of everyone's individual payments to their personal savings plan.
